ABOUT *The Art*

The ART (Assumption Restaurant for Training) provides a realistic working environment for APS' students from ISC in Food Preparation and Service and ISC in Baking Practices course to practise the skills and knowledge learnt as an extension of the main curriculum.

It is also a platform to enhance training in the event that some students are not ready to be employed either in terms of confidence or request by parents due to their young age.

The ART is a casual dining restaurant with a fresco option which serves healthy Western and Asian cuisines, with plans to expand our offerings in the near future.

The ART is open to the public on weekdays from 12pm to 2pm (excluding public and school holidays).

For reservation:
